(MAF): If a member visits a participating network dentist, the member will not receive a bill for charges more than the negotiated fee schedule. If a member sees an out-of-network dentist, the coinsurance level will apply to the maximum allowable fee. To ensure you do not receive additional charges, visit a participating PPO network dentist.

Waiting periods and frequency/age limits may apply.

\* 10 year replacement rule for bridges, partials, dentures, inlays, onlays, crowns or other laboratory-fabricated restorations.
